Meals at No Charge for All Children

Bath County Public Schools will be serving meals at no charge to children 1 to 18 years of age. The U.S. Department of Agriculture (USDA) has approved waivers for local school divisions and other federal meal program sponsors to implement the Summer Food Service Program to provide meals to children in the community free of charge through the end of the academic school year. The waivers support access to nutritious meals while minimizing exposure to COVID-19. Meals are available to all children including those learning in-person or virtually and regardless of race, color, national origin, sex, age or disability.

For information regarding meal distribution visit our school website: <http://www.bath.k12.va.us/>
